RE: Slavik Radchuk

Mr. Shans:

My office has been in communication with Slavik Radchuk, and other leaders of prominent and respected Christian organizations. Through these conversations, our law office, as well as myself personally, have found that you are utilizing your website: www.russianw.com to disseminate statements that are defamatory and libelous against Mr. Savik Radchuk. In addition, there are photos and videos of Mr. Radchuk on your website that have been altered from their originals to create images that are inaccurate and in combination with your false and misleading statements are intended to cause confusion and elicit serious harm to Mr. Radchuk's stellar reputation. Furthermore, I have substantiated these facts through discussion with various respected individuals in the Christian community; and, Mr. Radchuk's circle of friends.

The sole purpose of these slanderous remarks and distorted photos has been to discredit, tarnish, and cause irreparable harm and injury to the impeccable reputation of Slavik Radchuk in the eyes of his church peers, family, business contacts, and other community and humanitarian affiliations.

Therefore, we are demanding that you immediately cease and desist from any further publishing, propagating, and posting of photos, statements and communications of a defamatory or slanderous nature towards Mr. Radchuk on your website(s) or other publications. You are being forewarned that if this activity does not stop immediately; we shall encourage our client to commence a civil action in the appropriate courthouse for redress of this matter.

If you have any questions, I strongly recommend that you seek the advice of your attorney. This is not a matter to be taken lightly. I assure you, your actions will not be tolerated any longer.

Sincerely yours,

Jack V. Prato, Attorney at Law
